Headquartered in metro Atlanta, Georgia, Demmons Enterprise is a 100% woman-owned, small business enterprise. Our national presence and global footprint enables us to tailor quality-based services and deliver greater value to our clients. Demmons Enterprise's management team is comprised of subject matter experts with over 80 years combined experience helping clients reach their goals through insightful strategies and meticulous execution. We specialize in helping clients solve their complex challenges while maintaining the highest level of integrity and accountability.

#### **WHY CHOOSE US?**

We are recognized as a nationwide provider of superior and reliable products and services as a prime supplier to the Federal government, service industries, educational institutions and product manufacturers. Demmons Enterprise has long-term, strong relationships with a network of strategic partners and high quality personnel who specialize in customizing solutions to effectively provide clients with greater return on investment and cost reductions. Demmons Enterprise is applying tomorrow's technologies to today's challenges with a demonstrated commitment to quality and innovation. Additionally, our lean management approach has allowed us to create a road map for implementing quality workmanship and a repeatable, sustainable, on-time delivery of services.

Demmons Enterprise forms tactical partnerships with many of our clients with a deep dedication to sustainability and corporate governance. We have successfully partnered with major commercial and government clients including:

- **Government Agencies**
- Georgia Department of Education
- **Commercial Companies / Foundations**
- Goizueta Foundation
- WYTV7 Christian Broadcasters

Our objective is to help our clients realize more return on investment, exceed their goals and improve the quality of service for their stakeholders.
